THE BLUE AND THE GRAY (MINISERIES) - WIKIPEDIA

the blue the gray pdf

Blue-gray (British English) is a medium bluish-gray color. Another name for this color is livid; this color name comes from the Latin color term lividus meaning "'a dull leaden-blue color', and also used to describe the color of contused flesh, leading to the English expression 'black and blue'". There is a range of colors called livid colors that combine the colors blue and gray.

Blue-gray - Wikipedia

The Blue and the Gray is a television miniseries that first aired on CBS in three installments on November 14, November 16, and November 17, 1982. Set during the American Civil War, the series starred John Hammond, Stacy Keach, Lloyd Bridges, and Gregory Peck as President Abraham Lincoln. It was executive produced by Larry White and Lou Reda, in association with Columbia Pictures Television.
