Buddhism and its Contributions to Culture

'Dharma' is one of the most intractable terms used in the Hindu philosophy and is derived from the root 'dhru', meaning to uphold, sustain or support. Hindu Dharma comprises a medium, an instrument or an integrated scheme of life by which one is prevented from falling down and is uplifted spiritually.

What is Hindu Dharma - hindutemple.org

Thus the Buddha established the Sangha, the order of monks and nuns, as the special field for those ready to dedicate their lives to the practice of his path, and in the Dhammapada the call to the monastic life resounds throughout. The entry-way to the monastic life is an act of radical renunciation.
